Summary

Ambitious and collaborative developer seeking an opportunity to utilize my skills and qualifications in the tech industry in a position with a positive and collaborative environment, making a meaningful impact and advancing my professional journey.

Education

Moulay Ismail University, Meknes, Morocco (June 2024)

BA in English Studies, Faculty of Letters and Human Sciences.

Harvard University, Online, Edx (Aug 2022 - Nov 2022)

Computer science, CS50.

Relevant Experience

Front-end Developer | Freelance Contract | Weblate (July 2024 - Present) | Remote

- ✓ Work on the UI using jQuery, Bootstrap, and modern frameworks like React and Vue.
- ✓ Communicate regularly in English to coordinate development efforts and product enhancements.
- ✓ Regularly interacted with the open source community — responding to issues, reviewing pull requests, and improving the developer experience through documentation and support.

Lead Front-End Developer | Ringob LLC (Apr 2020 - Feb 2022)

- ✓ Spearheaded team efforts in designing and implementing user-friendly interfaces.
- ✓ Helped integrating front-end with back-end and made it catch the development cycle of the API.
- ✓ Collaborated with cross-functional team to translate business requirements into scalable front-end solutions.
- ✓ Mentored junior developers.
